FINAL APPLICATION FOR  
PAYMENT OF FEES OF RECEIVER,  
THOMAS A. SEAMAN

[Notice of Applications for Payment of  
Fees and Reimbursement of Expenses;  
Final Application of Allen Matkins;  
Memorandum of Points and Authorities;  
Declaration of Thomas A. Seaman; and  
[Proposed] Order submitted concurrently  
herewith]

Date: March 2, 2020

Ctrm: 4B

Judge: Hon. Cynthia Bashant

24 This Court appointed Kristen A. Janulewicz (the "Original Receiver") as the  
25 permanent receiver for Defendant Total Wealth Management, Inc. ("Total Wealth")  
26 and its subsidiaries and affiliates including, but not limited to, Altus Capital  
27 Management, LLC (collectively, the "Receivership Entities" or "Entities") pursuant  
28 its February 12, 2015 "(1) Preliminary Injunction, Appointment of a Permanent

1 Receiver, and Related Orders; and (2) Order Vacating Hearing on Preliminary  
2 Injunction" (the "Permanent Appointment Order"). On June 7, 2016, the Court  
3 substituted Thomas A. Seaman (the "Successor Receiver") for the Original Receiver  
4 via an Order Approving Joint Stipulation to Substitute Thomas A. Seaman as  
5 Permanent Receiver. The Original Receiver and the Successor are sometimes  
6 referred to simply as Receiver where the distinction is unimportant.

7 Mr. Seaman, in his capacity as the Successor Receiver for the Receivership  
8 Entities hereby submits this Final Application for Payment of Fees (the  
9 "Application"). The Application covers the period from August 1, 2018 through  
10 December 31, 2019 (the "Application Period"). As reflected below, during the  
11 Application Period, the Successor Receiver and his staff spent a total of 298.5 hours  
12 working on behalf of the Receivership Entities, at a weighted average rate of \$139  
13 per hour, and incurred fees totaling \$41,491.50. The Successor Receiver requests  
14 that this Court approve 100% of the Successor Receiver's fees incurred during the  
15 Application Period.

16 From the inception of the case, the Receiver has incurred fees of \$542,645.40;  
17 of which \$501,153.90 was approved, \$451,039.01 was paid, and \$50,115.89 was  
18 held back pending the approval of the final fee application. As discussed below, this  
19 Final Application also seeks approval of payment of the previously-approved sum of  
20 \$50,115.89 (the "Holdback Amount"), for which payment was withheld pursuant to  
21 prior fee applications. The Court previously approved these fees, however, payment  
22 was withheld pending submission of the Final Application. Thus, the total amount  
23 requested for payment is \$91,607.39.

24 **I. WORK PERFORMED BY THE ORIGINAL RECEIVER AND**  
25 **SUCCESSOR RECEIVER.**

- 26 (1) The Receiver continued to work to recover additional assets of the  
27 Receivership Entities ("Receivership Assets" or "Assets"). Gross  
28 receipts for the Application Period were \$71,013.00, and include

1 collection of the PPCN settlement proceeds and interest income of  
2 \$45,213.18, bringing the total cash on hand for the benefit and  
3 administration of the Entities to \$562,989.50.

4 (2) The Receiver accounted for the receipts and disbursements of the estate  
5 and establish a reserve for remaining liabilities of the receivership and  
6 determined the amount available for distribution to investors.

7 (3) The Receiver sought approval to make a distribution to investors and  
8 claimants and disbursed \$2,831,781.02 accordingly.

9 (4) Managed excess cash resources of the receivership by investing in US  
10 Treasury securities which earned interest income of \$45,213.18 during  
11 the Application Period.

12 (5) The Receiver also reviewed and responded to inquiries from investors  
13 and other third parties, largely arising from questions and issues in  
14 connection with the distribution, including change of addresses, re-  
15 issuance of checks due to death or divorce of the claimant, and other  
16 issues.

17 (6) The Receiver filed tax returns and reviewed and negotiated reductions  
18 to the tax accountants bill.

19 (7) The Receiver monitored investor litigation pending against the  
20 Receivership Entities and ensured it remained stayed in accordance  
21 with the terms of the Permanent Appointment Order.

22 II. **ASSET RECOVERY SUMMARY.**

23 As reflected above, the Receiver made substantial progress in the ongoing  
24 recovery of Receivership Assets. From inception through the end of the Application  
25 Period, the Receiver's efforts resulted in the recovery of approximately \$5,032,901  
26 in gross receipts. During the Application Period, the Successor Receiver's efforts  
27 resulted in the recovery of \$71,013 in Assets, broken down as follows:  
28

• Third-Party Litigation Income	\$ 25,000
• Interest	\$ 45,213
• <u>Tax refund</u>	<u>\$ 800</u>
Total	\$ 71,013

For the duration of the receivership, the total Receiver's fees were \$542,645 and were 10.8% of the gross receipts of \$5,032,901 to the receivership estate. On this basis, the Receiver believes his fees to be reasonable and respectfully requests the Court to approve the fees in full.

As of December 31, 2019, the Receiver was holding cash in the amount of \$562,989.50.

### **III. SUMMARY OF RECEIVER'S FEES.**

#### **A. Summary Of Receiver's Fees By Category of Work.**

The total fees of \$41,491.50, incurred from August 1, 2018, through December 31, 2019, can be broken down into the following categories of work:

<u>Task</u>	<u>Amount</u>	<u>Percentage</u>
Accounting and Reporting	\$6,285.00	15.1%
Investor Relations	\$25,352.50	61.1%
Project Management	\$3,038.00	7.3%
Receiver	\$6,237.00	15.0%
<u>Receivership Administration</u>	<u>\$579.00</u>	<u>1.4%</u>
Totals	\$41,491.50	100.0%

#### **B. Summary of Receiver's Fees By Timekeeper.**

**Exhibit A**, attached hereto, includes each and every time entry during the Application Period for which the Receiver has requested compensation, on a month-by-month basis. Each month's time entries are further sorted alphabetically by task name, then alphabetically by timekeeper.

**Exhibit B**, attached hereto, provides a summary, by timekeeper, setting forth the amount of time spent by the Receiver and his staff at each timekeeper's specific

1 hourly rate. As reflected therein, the Successor Receiver and his agents expended  
2 298.5 hours during the Application Period, for fees totaling \$41,491.50. In order to  
3 manage the administration of the Receivership Entities' Estate in as cost-effective a  
4 manner as possible, the Successor Receiver delegated some assignments to staff  
5 billed at hourly rates ranging from \$60 to \$270 per hour. These agents performed  
6 accounting, bookkeeping, financial analysis, business management, investor  
7 relations, debt collection, litigation support, asset management, and other services.  
8 During the Application Period, the Successor Receiver's agents expended 275.4  
9 hours of work, at an average rate of \$128 per hour.

10 By using qualified staff largely billing at significantly lower hourly rates, the  
11 Successor Receiver was able to achieve a weighted average hourly (blended) rate of  
12 \$139 per hour for this Application Period. In order to further conserve assets, the  
13 Successor Receiver agreed to reduce his hourly rate of \$400 to \$270, the rate at  
14 which the Original Receiver billed, thus saving \$17,576 over the duration of the  
15 receivership.

16 In his reasonable business judgment, the Successor Receiver believes the  
17 hourly rates charged by both the Successor Receiver and by his counsel are  
18 appropriate, given the requirements of the receivership, that the services performed  
19 benefitted the Estate, and that the total fees for which he seeks approval are fair and  
20 reasonable.

### 21 **C. Charges By Task.**

22 Below is a summary breakdown of work by functional area, including  
23 accounting and reporting, administration, forensic accounting, financial analysis,  
24 forensic accounting, investor relations, litigation support, project management,  
25 receiver, and receivership administration. This summary breakdown details the  
26 categories of tasks performed by the Successor Receiver, and the Successor  
27 Receiver's agents, and includes total costs for each task. The largest cost category  
28 was Investor Relations which encompassed the administration, verification, and

1 reconciliation of claims. The total hours and cost by task for the Application Period  
2 are as follows.

3	<u>Task</u>	<u>Hours</u>	<u>Rate</u>	<u>Amount</u>
4	Accounting and Reporting	47.7	\$132	\$6,285.00
5	Investor Relations	205.4	\$123	\$25,352.50
6	Project Management	16.0	\$190	\$3,038.00
7	Receiver	23.1	\$270	\$6,237.00
8	Receivership Administration	6.3	\$92	\$579.00
9	<u>Totals</u>	<u>298.5</u>	<u>\$139</u>	<u>\$41,491.50</u>

#### 10 **IV. CONCLUSION.**

11 The Successor Receiver believes that the rates, as reflected above, are fair and  
12 reasonable given the scope of the work required. The Successor Receiver  
13 respectfully requests that the Court enter an Order approving the \$41,491.50 in fees  
14 incurred during the Application Period and authorizing the payment of these fees  
15 plus the fees previously approved but held back in the amount of \$50,115.89, for a  
16 total amount of \$91,607.39.
